'A'ina
We have chosen the name 'A'ina to represent our 2015 graphic. The word 'A'ina is a powerful and expansive word that encompasses more than its simple translation of "land" or "earth." It also means "that which feeds."
At KIALOA we live the value of Mālama 'A'ina and this is reflected in the way we develop products, in our business practices, and in our beliefs about sustainability. Please visit www.kialoa.com/aina to learn more about this.
