### 'Āina

We have chosen the name 'Āina to represent our 2015 graphic. The word 'Āina is a powerful and expansive word that encompasses more than its simple translation of "land" or "earth." It also means "that which feeds."

At KIALOA we live the value of Mālama 'Āina and this is reflected in the way we develop products, in our business practices, and in our beliefs about sustainability. Please visit [www.kialoa.com/aina](http://www.kialoa.com/aina) to learn more about this.
