"The Makai is the toughest, best performing SUP paddle in the 'give me all you got' category. Built for all those things you tell paddlers not to do, but they're going to do anyway."

SILVER KIALOA K GRAPHIC

Our carbon blades with the Silver KIALOA K Graphic are timeless. This graphic is available on all carbon epoxy SUP paddles.

EAST SIDE BLADE GRAPHICS

'East Side' is symbolic of the Eastside of Oahu where Dave Chun grew up. It is also the location of the origin of KIALOA. The east side of the island is the windward side and home of Kailua Canoe Club where Dave found his passion for paddling and his amazingly talented wife Meg.

East Side Graphic available on the Hulu, Pipes and Methane series SUP Paddles.

GL SURF BLADE GRAPHICS

The Gerry Lopez graphic was originally introduced in 2013 after this paddle was tested by Gerry on a trip to Mexico. Upon Gerry's return he stated "this is the one, you can put my name on it".

GL Surf Paddle Graphic available only on the GL Surf Series of SUP Paddles.
